

SENIOR ESTIMATOR

Robson Civil Projects is a leading civil contractor in NSW. We are privately owned, with the financial strength and self-performing capability to deliver projects in the mining, roads, rail, commercial and industrial sectors.

A vacancy currently exists for a highly motivated and experienced **Senior Estimator** to work in our office at **North Ryde** to assist in expanding our team. Reporting directly to the Estimating Manager, the successful candidate will be well educated and professionally qualified with excellent planning, organisational and communication skills allowing you to manage multiple priorities within time, cost and quality constraints.

Accountabilities, Duties and Responsibilities:

- Review tender documentation to understand the scope of works and attend site visits to familiarise local conditions.
- Prepare RfQ's for subcontractors and suppliers; Complete analysis of incoming quotes.
- Estimate projects from first principals using company standard software.
- Complete construction program and align with cost estimate.
- Assist in development of construction methodology.
- Assist in presenting tender at post submission meetings.
- Prepare package for handover to construction team on successful award of tenders.

In order to be the successful candidate for this role you will need:

- 10+ years of engineering infrastructure and estimating experience;
- Tertiary qualification in Engineering, Quantity Surveying or Construction discipline or 10+ years industry experience;
- Experience in planning and leading cost estimates for medium to large sized projects;
- Ability to prioritise work and deliver results;
- Forward looking, self-motivated and solution focused approach;
- High level analytical capacity;
- Advanced computer literacy – Microsoft Suite, Benchmark Estimation Excel, MS Project and/or P6 and
- Demonstrated time management skills.

Robson is an equal opportunity employer.

An attractive salary package will be offered commensurate with experience.
