

## SITE MANAGER

Robson Civil Projects is a leading NSW civil contractor with offices in Sydney, Central Coast, Newcastle and the Hunter Valley. A Vacancy currently exist for a highly motivated and experienced Site Manger to manage projects in a manner that supports divisional and company profitability and sustainability goals in our Sydney Market. Reporting directly to the Project Manager, the Site Manager holds a critical position to ensure a safe and healthy team-based approach to complete site works within agreed time, budget and quality requirements.

### ***Main Duties and Responsibilities:***

- Facilitate daily pre-start and weekly site tool-box meetings and encourage participation in solving issues relating to safety, project quality, environmental protection, program and budget.
- Participate in weekly program update with Project Manager.
- Plan and monitor to ensure adequate plant and resources are on site to meet the agreed program requirements.
- Ensure project safety, technical and commercial objectives are achieved through adequate planning and delivery processes.
- Collect and compile daily docketts and incorporate into daily site diary to track costs and daily work activities.
- Plan and track production costs against targets and manage production programs and costs to maximise profit while ensuring works are completed to the required specification.

### ***Qualifications and Experience:***

- Ten years' experience in **civil** construction.
- Five years' experience in **civil** construction supervision.
- Capable of managing site works on projects over \$5 million.
- Experience with Structures; RMS roadworks preferred.
- Working knowledge of budget processes.
- Understanding of OH&S, Environmental and Quality Assurance requirements.
- Competent computer skills (Outlook, Excel, Word).
- Cert IV in Civil Construction or Cert IV in Frontline Management.

Robson is an equal opportunity employer.

An attractive salary package will be offered commensurate with experience.
